Thoughts for the Month

- Dashing through the heat, on a forty-horsepower sleigh.
- Santa swapped the sleigh for a V-twin - Christmas just got louder.
- All I want for Christmas is... more cc and more rpm
- Merry Throttle-mas and a wheelie New Year.
- Jingle bells, jingle bells, jingle all the way... to the servo.

Christmas message from the committee

As the year winds down, the committee would like to extend a huge thank you to all our members, sponsors, and supporters for another fantastic year on two wheels. Your enthusiasm, camaraderie and commitment to safely riding have kept this club rolling strong through every season.

From early-morning breakfast rides to late-night wrenching sessions, charity events, and impromptu coffee stops, it has been a year filled with shared roads and shared stories. Whether you joined one ride or every ride, you are a valued part of this community.

Over the Christmas and New Year period, please ride safe, look out for one another, and take extra care on busy holiday roads. We look forward to seeing you and your bikes shining bright in the new year, with plenty of new routes, events, and adventures (including the Odyssey) already in the works.

On behalf of the committee, wishing you and your families a Merry Christmas and a happy, healthy, and throttle-filled New Year.
